MEMORANDUM FOR: Director of Personnel

FROM:

EA/DDCI

25X1

SUBJECT: SIS Bonus Allocations

The DDCI has been picking up some rumblings about employees questioning the equity of SIS bonus allocations. He wants to retain the confidentiality of the recipients but thought it might be useful if you could come up with some data that would show how many SISers have received awards, how many have received them more than once, etc. Please include any other items that you think might be helpful.
